Quality
Improvement
session could
have been
shorter

We are testing a short &
snappy QI session today

Would like more
parent stories
they are very
useful

We have built in women and
family stories and will continue to
anchor our work in them

I don't think table hopping is helpful?

More interacting between tables.
Table hopping would be a good/better way to network.

We have some table hopping – but feel free to do more if you wish
